Take Home Quiz

What one thing can you do to be safe to and from school?

- Always stand behind something when a car drives by
- Wear bright/reflective clothing
- Walk on the right-hand side of the road
- Get across roads as quickly as possible to avoid collisions by running

Speeding not only is illegal, but increases the risk and severity of a collision.

- True
- False

Night-time is the safest time to travel because less vehicles are on the road.

- True
- False

The safest place to cross the road is:

- Wherever the road has the least cracks
- Next to driveways since drivers expect cars to come out of them anyway
- In front of trucks since they will prevent cars from hitting you
- In a well-lit, designated intersection or crosswalk

Which method do you take to school?

- I take the bus
- I ride my bike
- I get a ride
- I walk

I am going to do the following to get to and from school safely:
